

NJC Membership 2018/19

Thank you for your continued support of Newcastle Jockey Club. We invite you to renew your membership for the 2018/19 Racing Season and would like to remind you that your *Racing Rewards Points* will be reset to zero on July 1. It is therefore very important you use all of your available Racing Reward Points earned this financial year on or before our race meeting on Saturday June 30.

The club will be conducting the rewards program again in the new season following its success this year. Rewarding members for their actual attendance and spend at the club on a race day is the most logical approach for the club to incentivise attendance and is consistent with all other major racing clubs throughout Australia. Members primarily earned points for their purchases at the bar and catering this year, but will continue to be rewarded in future for their attendance at special functions, table reservations and luncheon bookings in Chevals Restaurant.

From July 1, 2018 Members will again accrue points at the rate of 10 Racing Reward points for every \$1 spent when purchasing selected *Membership products, merchandise and raceday hospitality and event packages when booking through the office.

In addition, Members will earn 10 Racing Reward points for every \$1 spent on drinks and food at any raceday. For further details please refer to your Membership Handbook which outlines the benefits of the Rewards Points Program.

Staff are on hand in the main office or at the races throughout May and June to assist Members with their renewals and to provide information on the Racing Rewards Program.
